

Dear Orange County Guitar Circle, Orange County Guitar Orchestra, PCM Guitar Orchestra, and American Guitar Society Leaders.

We are getting excited to host the upcoming GFA Convention at CSUF from June 19-24, 2017.

The lineup will feature concerts by Bill Kanengiser, Jeremy Jouve, Alvaro Pierri, SoloDuo, and many more. We also have our Vendor Expo and competitions, including a new competition for ensembles this year; and a new Summit for middle school and high school guitarists. We are looking forward to seeing many of you all there!

We want to encourage the participation of all local guitar lovers! We are pleased to offer a discounted rate for the 2017 GFA Convention to all members of your organization. This is for your members only, please don't share with the public. If you have people who would like to take advantage of this offer who are not your members, this is a perfect opportunity to encourage them to join your organization!

When registering for the GFA Convention at <http://www.guitarfoundation.org> have your members follow the steps below:

1. Log in to your GFA member account or create an account if you are not a member under "About" > "Membership" > "Join"
2. Once you are logged in, navigate to "Events" > "Convention 2017" > "Register" > "Convention & Competition"
3. Complete the prompted registration steps
4. When you reach the payment page, enter the code **CASocieties2017 for a 10% discount**
5. Submit payment

The deadline for Early Bird registration is April 1, so please encourage your members to register early for maximum savings!

I also want to take this opportunity to make sure you're aware of our Roundtable for Guitar Societies, taking place on Wednesday at 1:30pm. We welcome you there to meet other guitar society leaders from around the country and share ideas.

We look forward to seeing you at CSUF in June!

All the best,  
Martha
